

## ***Licensed Electrician / CEC Accredited Solar Installer***

*Solar My Home WA is a dynamic and professional organisation specialising in the supply and installation of Solar PV, Energy Storage Systems and EV charging solutions.*

We are a West Australian owned and operated business committed to providing quality products and first class service and installations. We pride ourselves on our solid work ethic, a strong customer focused approach and high level of safety, and provide a complete service second to none.

We set the benchmark in our approach to the renewable energy industry, maintaining unparalleled standards from our consultations right through to our post installation service. Solar My Home WA also prides itself on developing the people who work with us and seek those who wish to be challenged and grow themselves in our innovative industry.

### **About the role**

Based in the northern suburbs of Perth, we are looking for a licensed Electrician with CEC Grid Connect Solar Accreditation to join our team. The position is Mon-Fri with the occasional overtime required and will require you to start and finish from our warehouse located in Gnangara.

### **Key responsibilities include, but are not limited to;**

- Installation of solar PV systems for residential and commercial properties
- Upgrades to pre-existing solar PV systems
- Perform solar system servicing
- Perform general electrical work
- Supervision of apprentice/s
- Completion of all required paperwork
- Liaising with customers

### **Skills & requirements**

- WA Electrical Licence
- CEC Installer & Designer Accreditation (desirable but not essential)
- Driver's Licence
- Minimum 12 months solar installation experience (desirable but not essential)
- Strong work ethic
- Excellent communication skills with a focus on customer service
- Excellent time management and organisational skills
- Top quality workmanship
- Commitment and reliability

### **Provided;**

- Competitive remuneration
- Mobile phone allowance
- Work van

If you have the required attributes, please forward your resume detailing your work history, qualifications, and references to [info@solarmyhomewa.com.au](mailto:info@solarmyhomewa.com.au), attention Brad Robson.
